

Spokane Immigrant Rights Coalition

Our Work

Our goal at SIRC is to help keep immigrant families together and to make Spokane a welcoming place where everyone can reach their full potential. We organize in our community to change policies, educate people about their rights, provide rapid response support to families facing deportation, and financial support for people navigating the immigration system.

KNOW YOUR RIGHTS TRAINING

Knowing our rights is the first step to protecting ourselves. This presentation focuses on what to do if ICE is at your door and/or business, how to protect yourself, and how to record an incident. SIRC provides Know your rights trainings to businesses, organizations, or individuals.

ACCOMPANIMENT PROGRAM

We have trained volunteers that can accompany you to a court hearing, school visit, or immigration appointment. Please call the WAISN Immigration Helpline at 1-844-724-3737.

LEGAL DEFENSE FUND

Our Legal Defense fund is created to support families and individuals during times in need, and is a tool that we use for our deportation defense campaigns. These funds are used for legal representation, family support, and helping families stay together! To request financial support call the WAISN Immigration Helpline at 1-844-724-3737. You can make a donation to support our Legal Defense fund on our website at www.sircwa.org

POLICY CHANGE

We advocate at the local, state, and national level to change policies to better support immigrant families and to fix our broken immigration system.
