

**Is religious
discrimination
keeping you
out of the
home of your
dreams?**

**Here are some
possible signs of
housing
discrimination:**

- “I’ll show you neighborhoods with mosques.”
- “We only take people who speak English clearly.”
- “You might be more comfortable living elsewhere.”

FAIR HOUSING IS YOUR RIGHT. USE IT

Housing discrimination based on any form of religion isn’t just unfair – it’s against the law.

If you feel that you've been denied the sale, rental or financing of a home because of

religion, race, color, national origin, sex, familial status or disability,

report it to your local fair housing agency.
